

Supply and Medication Pick-Up
Library Book/Book in a Bag Books/Tubs Drop Off
June 10th & June 11th
11:30 AM - 1:30 PM and 5:00 PM - 6:00 PM
(see time slots below)

June 10th and June 11th are the days for getting supplies back to families. This includes materials from the classroom (pre-bagged), medications from the nurse's office, and instruments for band/orchestra. We will also ask that all library books, book in a bag books/tubs, classroom library books be returned at this time. Here is the basic order of operations for the day:

- Everyone who is walking must wear masks (Parents and kids), supplied if not available.
- On the morning/evening of the 10th & 11th, all student materials (in labeled bags) will be placed in the gym. We will have runners to bring the bags to the cars. ***We are asking that all families stay in the car (at this time the community is not allowed in OSD school buildings).***
- During pick up times, the gates will be open for parents to drive to the back of the school by the playshed. We will have two lanes, marked with cones. For walking families, we will have the parking lot marked out for a standing line. X's will be marked on the ground for distancing.
 - Greeters will be placed at the head of each lane. They will greet the family, call the name to the runner, so that gear can be brought to the car. Bags will be placed in the trunk of the car.
 - The school nurse will have a separate station (with separate runners) set up outside for parents to pick up meds after they have their supplies from the teacher.
 - We will have a library station located near the bike rack. This will allow families to return library books/book in a bag books and tubs and any other borrowed classroom books that were checked out before the closure.

Please do not arrange other times with teachers to come and pick up materials from the classrooms. If none of the below times work for your family, please contact Mrs. Brotherton (jbrotherton@osd.wednet.edu) or Mrs. Schwegler (rschwegler@osd.wednet.edu) to arrange another pick up time. At this time, community members are not allowed in OSD school buildings.

Pick up Date/Time

(please note that if these times don't work for your family, you can come anytime between 5:00-6:00 on June 10 and June 11. If none of these work, please email Mrs. Brotherton or Mrs. Schwegler and we will find an alternate time/date for you.)
